**Subject:** Re: Authors right

Dear Colleague

Yes, thank you for your concern.

Permission granted, please mention explicitly the original publication in the Proceedings of the Conference ( eBook ISBN: 978-989-8734-14-3)

Best Regards  
Sérgio Lira

Dear Sir,

I would like to know if point 4 in authors right “The right to post the previously mentioned 'preprints' in your academic website or institution's intranet but only if a proper statement was previously obtained from Green Lines Institute for Sustainable Development.” Means that I should ask permission to insert my paper in LNEC's Scientific Repository as open access.

Best regards

José Saporiti
